

2005 Active Beaver Locations

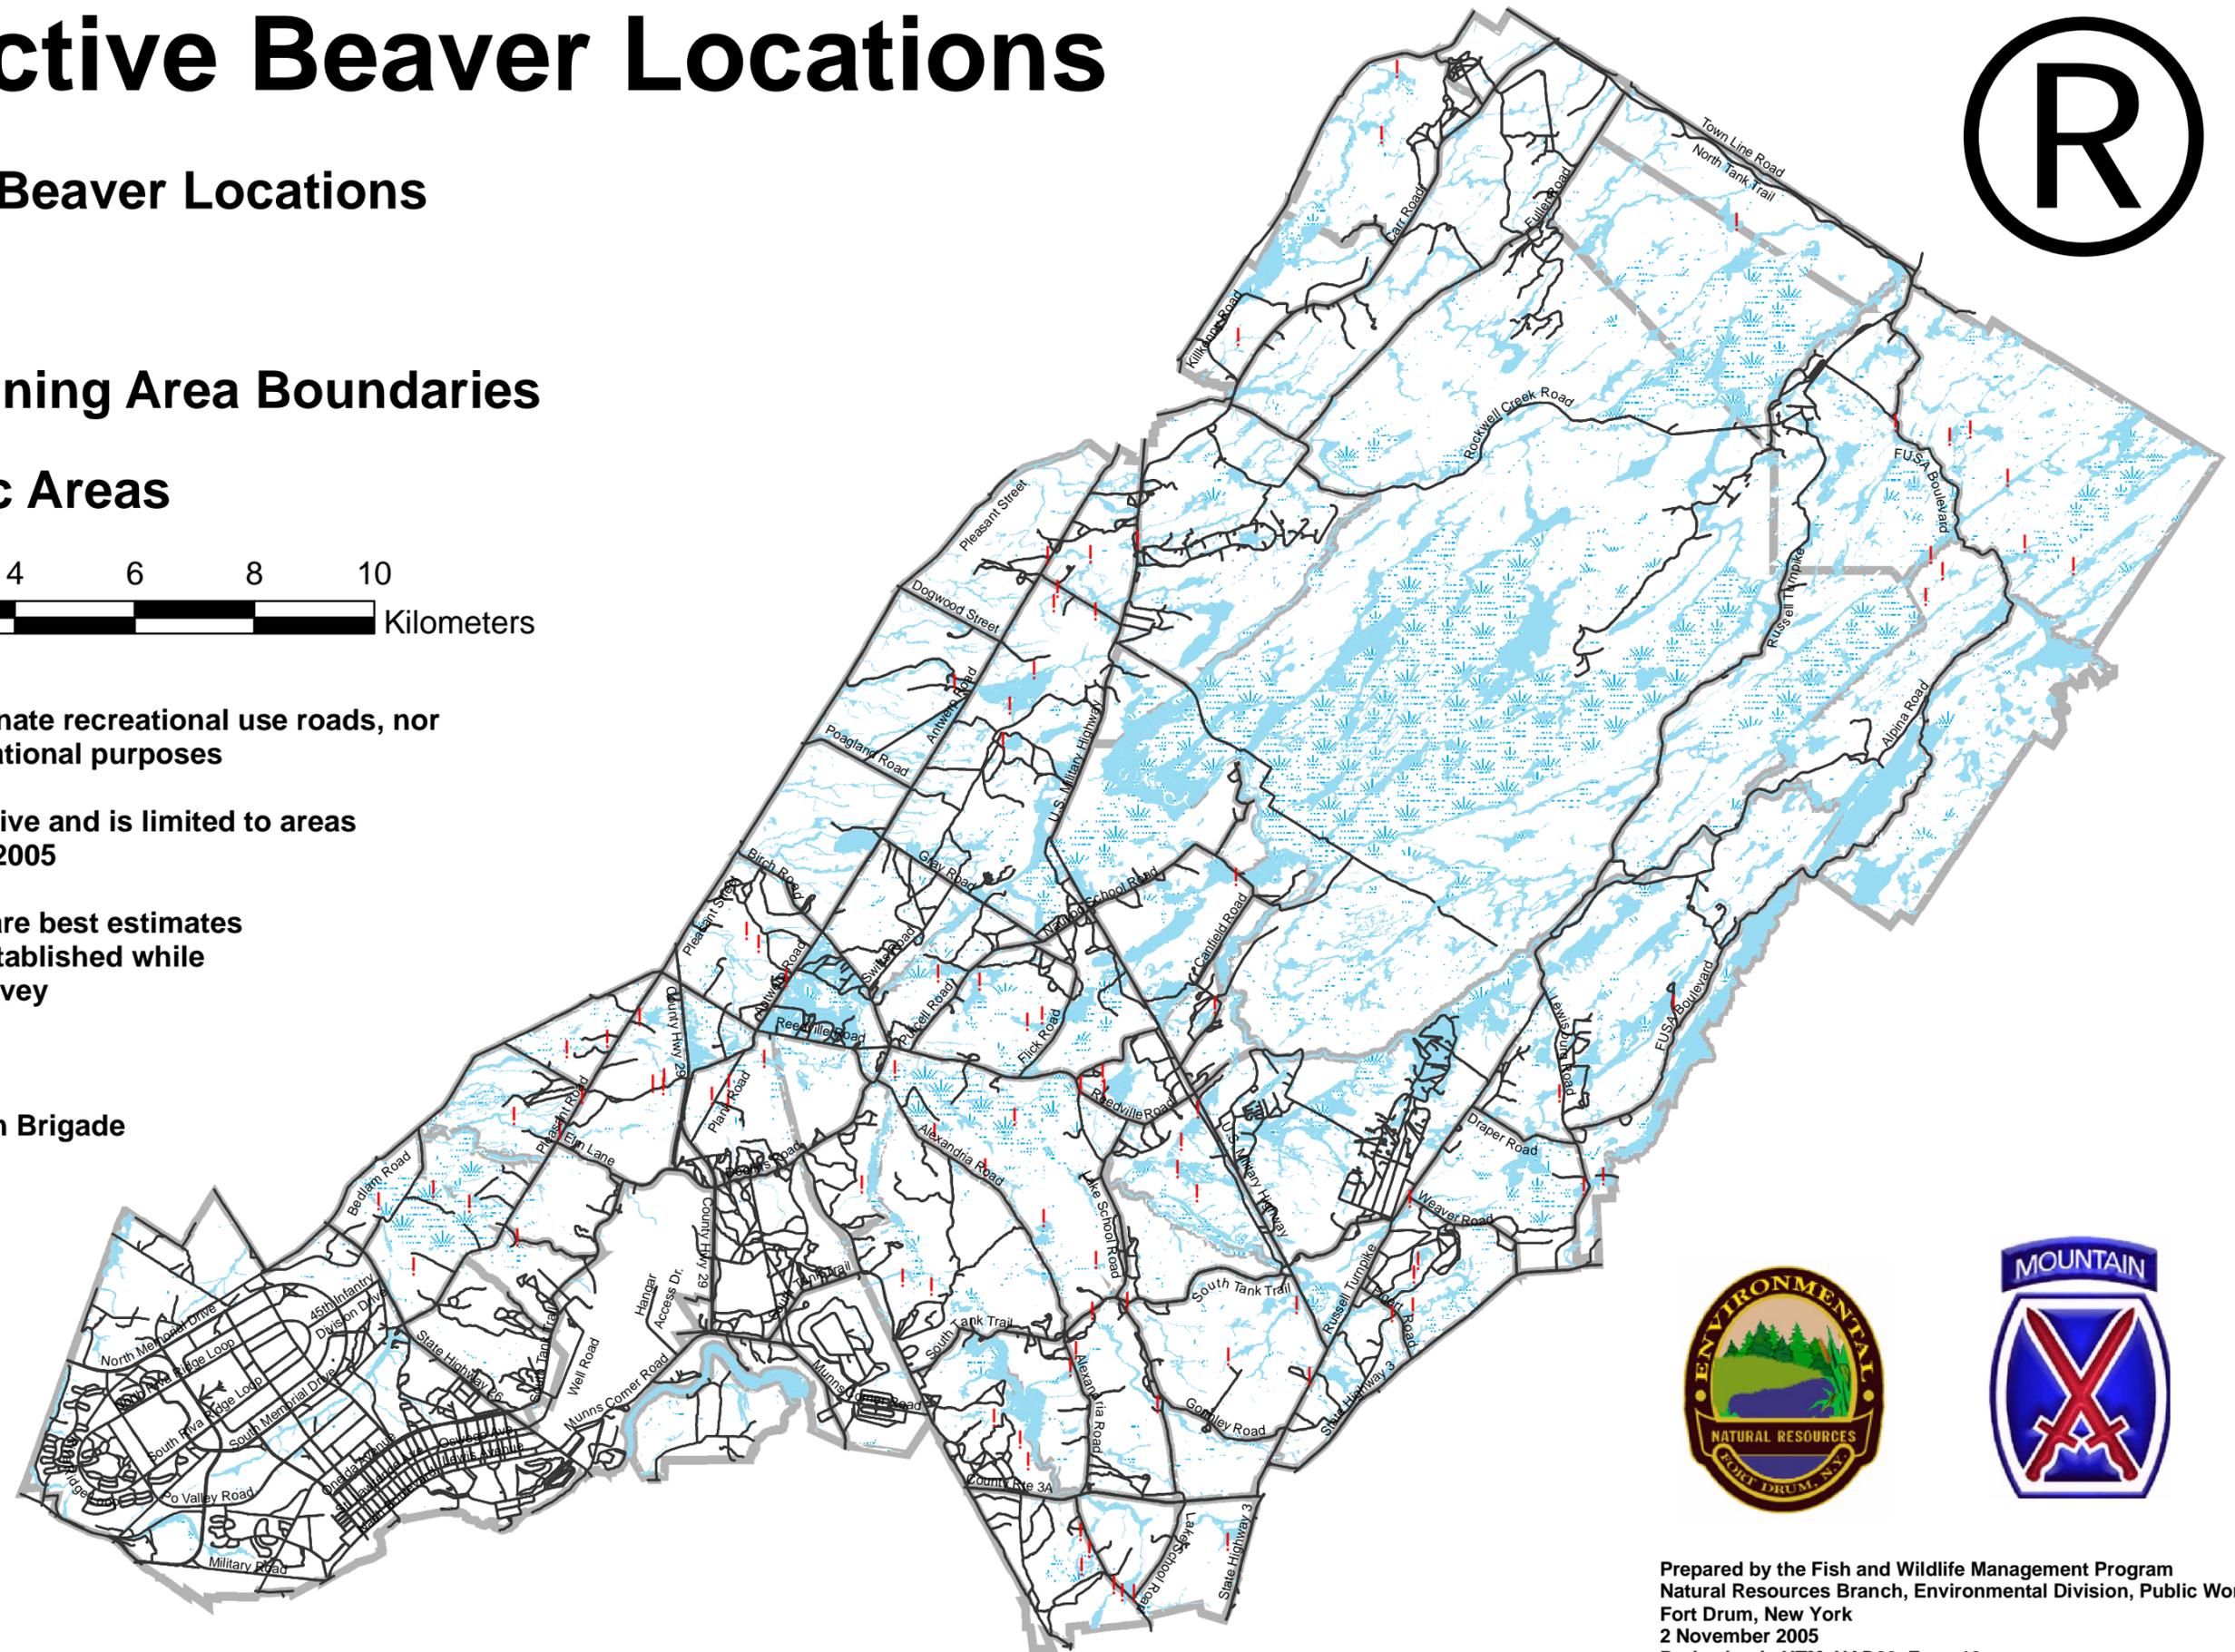

This map does not designate recreational use roads, nor is it to be used for navigational purposes

This map is not all inclusive and is limited to areas surveyed 20-21 October 2005

Active beaver locations are best estimates from grid coordinates established while conducting the aerial survey

Air Support provided by Fort Drum's 10th Aviation Brigade 2-10 Aviation Regiment

Prepared by the Fish and Wildlife Management Program
 Natural Resources Branch, Environmental Division, Public Works
 Fort Drum, New York
 2 November 2005
 Projection is UTM, NAD83, Zone 18
